

final thoughts...

The FRA is only as strong as our members. You can help by coming to meetings, paying your annual subscription & keeping us informed. New committee members are always welcome.

Fáilte go **Fionnradharc**

A big "Go raibh mile maith agat" to Dublin City Council for erecting the three new "Welcome to Fairview" signs.

The FRA would like to like to welcome the new parish priest to the parish of Fairview. Welcome **Fr. Antony Nallukunnel OSMConv** to our neighbourhood.

We would also welcome the other new visitors to Fairview. **Wild Atlantic salmon** have begun reproducing in the Tolka for the first time in at least 100 years. Fáilte rompu!

FRA Snippets

- ✓ We are keeping a close eye on the proposal by Dublin City Council to construct an up to eight foot **flood defence barrier** from Fairview along Clontarf promenade to the wooden bridge. We will keep our members informed of all developments.
- ✓ We have been in contact with the Community Garda with a view to revitalising the **Neighbourhood Watch** scheme.
- ✓ The FRA is in contact with the local **business association** about a variety of issues that affect local business & residents. The lamp standards along Fairview have been recently repainted as a result.
- ✓ The **Ergo site** on the corner of Richmond Road & Richmond Avenue has received planning permission from Dublin City Council for a 5 storey, 90 bed nursing home (planning no. 2119/11). The FRA is appealing this decision to An Bord Pleanála as we are concerned with overdevelopment of the site. If you wish to appeal as well, you must do so by 30 October.
